The parties, by mutual stipulation, hereby request that this Court vacate the February 20, 2007 trial date in this matter and remove this matter from the Court's trial calendar pending the disposition of several motions to be filed.

Considering the disposition of the Defendants' Motions for Summary Judgment (this Court's Order having issued on January 5, 2007), both the Plaintiff and the Defendants will be filing motions that may, or may not, affect the viability of the current trial date. These motions,

1 according to Local Rules, would not be heard until the very eve of trial. To prevent the  
2 potential waste of counsels' time in preparing for a trial that may or may not happen in  
3 February, the Parties feel it is more prudent to remove this case from this Court's trial calendar  
4 until these motions are heard and decided.
